COMMUNICATION

In a telephone conversation on September 25, 2007, Applicant's representative and the Examiner discussed Form PTO-1449 dated January 8, 2007 returned with the Notice of Allowance with all documents initialed by the Examiner. The patent number of one of the U.S. Patents listed on the PTO-1449 included an incorrect digit due to a typographical error. The Examiner stated that Applicant could resubmit an Information Disclosure Statement with a Form PTO-1449 listing this U.S. Patent with the correct patent number. The Examiner further indicated that even though a Notice of Allowance had been mailed, he would consider this U.S. patent, initial the PTO 1449 form, and return it to Applicant's representative. Pursuant to the Examiner's instructions, Applicant is submitting concurrently herewith a Supplemental Information Disclosure Statement and Form PTO-1449.

Respectfully submitted,
